

THE WALLED GARDEN MORETON

Public Health Update - August 2020

The Gardens

In line with recent government guidance we re-opened The Walled Garden on Saturday 30th May 2020. Our car park is open and we respectfully ask you to park 2 metres away from other vehicles.

We will be open:

Monday 9am – 6pm

Tuesday 9am – 6pm

Wednesday 9am – 6pm

Thursday 9am – 6pm

Friday 9am – 6pm

Saturday 9am – 6pm

Sunday 9am – 6pm

The entrance and exit will be through the main gate next to our folly through the carpark and the black side gate from the road will also be open. There will be a maximum capacity of 300 people in the gardens at any one time, this will be controlled by staff doing regular head counts throughout the day.

We must ask that all visitors remain alert and respectful of social distancing, keeping 2 metres apart where possible and a minimum of 1 metre plus at all times – this will help us all protect public health.

Please follow signage and guidance on picnicking (we ask for a £5.00 donation for picnics – payable in the Dovecote Café), dog walking and cycling.

Please dispose of litter in the bins provided outside.

The Dovecote Café:

In line with recent government guidance The Dovecote Café will re-opened on Saturday 4th July 2020. Tables are spaced with a 2metre distance between each and all customers will be asked to complete a Track & Trace card in-line with the government guidelines. Pre booking is preferred for indoor tables and picnic benches in the café area and gardens.

Payment by card and not cash is preferable and maximum groups of x6 people per table is essential. Hand sanitising stations are provided on site and use of these is strongly advised when entering and exiting the café and gardens.

Please follow signage and guidance on social distancing safely in and around the café including queuing, food collection points, the clearing of tables and separate entry and exit points.

We have treated the café surfaces with Zoono, a residual disinfectant that forms a long-lasting antimicrobial barrier on the surfaces that have been sprayed. Strict cleaning regimes are also in place, these are carried out and recorded in regular intervals throughout the day.

We will be open:

Monday 9am – 5pm

Tuesday 9am – 5pm

Wednesday 9am – 5pm

Thursday 9am – 5pm

Friday 9am – 5pm

Saturday 9am – 5pm

Sunday 9am – 5pm

Family area:

We have treated the equipment with Zoono, a residual disinfectant that forms a long-lasting antimicrobial barrier on the surfaces that have been sprayed. We will also clean the equipment at regular intervals, this may mean closing the equipment for a period of time.

Children must not put their mouths on equipment and should be encouraged not to put their hands in their mouths after using the play area. It is advised to clean the equipment after you have used it, particularly where there are clear touch points such as swing rockers or handles.

Toilets:

Our toilet facilities are open, please follow guidance and social distancing measures when accessing the toilets. We have treated the toilet surfaces with Zoono, a residual disinfectant that forms a long-lasting antimicrobial barrier on the surfaces that have been sprayed. Strict cleaning regimes are also in place, these are carried out and recorded in regular intervals throughout the day.

In the event that any first aid is needed to be administered on site, the appropriate use of PPE for close contact will be required.

If you have a fever or persistent new cough we ask that you don't visit. Please follow the NHS guidelines around preventing the spread of COVID-19, we are continuing to promote good hygiene and staff will be on hand to enforce this across the site.

This information will be updated on our website and Facebook as necessary.
