

# FACT FINDING TRAIL! *at the Walled Garden*

Hello explorers! The Walled Garden is full of beautiful nature - from flowers, to trees, bugs, birds, and even reptiles! There are also mysterious sculptures, each with their own hidden meaning. How many can you see? Which is your favourite? We have 10 riddles which will lead you to special places in the gardens where you can learn amazing facts. Can you solve all the riddles? Write down your answers, challenge your friends, and have fun. **Good luck everyone!**

1. I'm a little bit gruff, and some people call me Billy. I have 4 legs, and hair on my chinny. What am I?.....
2. I flow through the garden, each day of the week. I'm always making noise, but I cannot speak. What am I?.....
3. I have three legs and I'm named after a rocket. What's my name?.....
4. Hidden in the jungle, our colours stand out from the green. How many colours, can be seen?.....
5. We are a symbol of love, but have a spikey side too. What are we, and what do our spikes do?.....
6. Food and mud are our favourite things, and some of us, have tails like springs...Can you find us?.....
7. We flap and sing all day long, can you hear our garden songs? How many of us live here?.....
8. This saucer has no cup, and sometimes it can fly. Have you ever seen one of these in the sky?.....
9. Round and round we go, to get us moving, we just need the wind to blow! What are we?.....
10. We move around on our bellies, and smell with our tongue. We're shy and you might not see us today, but you can still learn something fun!.....
